LAMINATOR

The MiniKote School & Office 25" • Item #201585

Providing Global Solutions For IDentification & Lamination

This easy to operate, full featured, sleek, contemporary design is perfect for classroom and office environments. When your professional requirements demand a dependable, simple-to-operate laminator, Laminex meets those needs with our MiniKote Laminators. Offers the same dependable and reliable quality lamination as the Laminex AV Machines that have become so highly regarded for the past 50 years. Easily protects and preserves all your educational and professional documents including charts, posters, maps, newspaper clippings, teaching aids, children's drawings and more.
